MORE VALUE!

Contact your distributor to make MedFlats® your return solution today.

REGULATORY COMPLIANCE

Our turn-key system provides your facility with a process that meets all applicable regulations regarding Controlled Substance disposal and documentation.

RESPONSIBLE DRUG HANDLING

Our facility is equipped with DEA licensed and approved vaults and cages for proper and compliant storage of various Controlled Substances. Dedicated staff is specifically trained in Controlled Substance and waste handling and have DEA Power of Attorney.

REPORTING & ACCOUNTABILITY

The quality management system employed throughout our organization ensures accountability and ethical practices. MedFlats® users can easily access detailed reports identifying all processing outcomes via the online Customer Portal.
